

## Lam Research Appoints Bethany Mayer and Leslie Varon to Board of Directors

May 13, 2019

FREMONT, Calif., May 13, 2019 (GLOBE NEWSWIRE) -- Lam Research Corporation (Nasdaq: LRCX) today announced that Bethany Mayer and Leslie Varon have joined the company's board of directors effective as of May 9, 2019. These additions will expand Lam's board to 11 members. Mss. Mayer and Varon will join the board's audit committee.

Ms. Mayer is an executive partner of Siris Capital Group LLC. Her previous positions include executive vice president, corporate development and technology of Sempra Energy; and president and chief executive officer of Ixia. She has also held leadership roles at Hewlett-Packard Company, Blue Coat Systems, Inc., Cisco Systems, Inc., and Apple Computer, Inc. Ms. Mayer is currently a member of the board of directors of Marvell Technology Group Ltd, where she is a member of the audit committee; and SnapRoute, Inc. In the past, she has served on the boards of directors of DataStax, Inc., Pulse Secure LLC, Sempra Energy, Delphi Automotive PLC, and Ixia.

Ms. Varon is the former chief financial officer of Xerox Corporation. Her previous leadership roles during her tenure at Xerox include vice president of investor relations, vice president of finance and corporate controller, and director of corporate audit. Ms. Varon is currently a member of the board of directors of Dentsply Sirona, Inc., where she chairs the audit and finance committee; and Hamilton Lane, where she is the chair of the audit committee. She previously served on the board of directors of Xerox International Partners.

"We are pleased to welcome both Bethany Mayer and Leslie Varon as Directors of Lam Research," said Stephen G. Newberry, chairman of Lam Research. "They bring to the Lam Research board substantial finance and operations knowledge, broad technology industry expertise, and significant board experience. We are looking forward to the perspectives that they will bring to our boardroom."
