

Lam Research Announces 2020 Supplier Excellence Award Recipients

November 2, 2020

FREMONT, Calif., Nov. 02, 2020 (GLOBE NEWSWIRE) -- Lam Research Corp. (Nasdaq: LRCX) today announced that it has recognized six companies with Supplier Excellence Awards. Selected from Lam's extensive list of preferred global suppliers, the 2020 award recipients demonstrated an exceptional commitment to exceeding performance standards. The awards acknowledged outstanding achievement in four categories: general excellence, ramp performance, corporate social responsibility, and rapid prototype manufacturing excellence.

Award recipients were announced on Oct. 28 and 30 at the company's 2020 virtual Supplier Day events. With the theme of "Resiliency: Agility and Flexibility," the event was an online gathering of Lam's top suppliers to strengthen collaborative partnerships and discuss opportunities to drive continuous improvements in the supply chain.

General Excellence Award

- Ferrotec Holdings Corporation

Ramp Performance Award

- Brooks Automation, Inc.
- Entegris, Inc.
- Viper Northwest, Inc.

Corporate Social Responsibility Award

- Celestica, Inc.

Rapid Prototype Manufacturing Excellence Award

- Rapid Precision Mfg., Inc.

"Delivering best-in-class products that contribute to our customers' breakthroughs in semiconductor technology requires an agile and resilient supply chain that is responsive to business inflections," said Tim Archer, president and chief executive officer of Lam Research. "Our top suppliers are critical to the success of Lam and we congratulate all of our 2020 Supplier Excellence Award recipients."
