### GAAP Financial Results

For the March 2015 quarter, revenue was \$1,393.3 million, gross margin was \$600.6 million, or 43.1% of revenue, operating expenses were \$360.6 million, operating margin was 17.2% of revenue, and net income was \$206.3 million, or \$1.16 per diluted share on a GAAP basis. This compares to revenue of \$1,232.2 million, gross margin of \$536.7 million, or 43.6% of revenue, operating expenses of \$347.9 million, operating margin of 15.3% of revenue, and net income of \$176.9 million, or \$1.00 per diluted share, for the quarter ended December 28, 2014 (the "December 2014 quarter").

### Non-GAAP Financial Results

For the March 2015 quarter, non-GAAP gross margin was \$622.2 million or 44.7% of revenue, non-GAAP operating expenses were \$345.0 million, non-GAAP operating margin was 19.9% of revenue, and non-GAAP net income was \$244.9 million, or \$1.40 per diluted share on a non-GAAP basis. This compares to non-GAAP gross margin of \$560.0 million or 45.4% of revenue, non-GAAP operating expenses of \$330.2 million, non-GAAP operating margin of 18.7% of revenue, and non-GAAP net income of \$207.6 million, or \$1.19 per diluted share for the December 2014 quarter.

"Lam's March quarter results reached record levels further extending our outperformance trajectory," said Martin Anstice, Lam Research's president and chief executive officer. "Our differentiated products and services are directly addressing the market driving technology inflections of multi-patterning, 3D device architecture and advanced packaging. Through ever closer

collaboration with our customers we are partnering to solve their most critical challenges solidifying our growth opportunity."

### **Balance Sheet and Cash Flow Results**

The successful issuance of \$1.0 billion in bonds in the March 2015 quarter helped increase cash and cash equivalents, short-term investments, and restricted cash and investment balances to \$4.1 billion at the end of the March 2015 quarter compared to \$3.0 billion at the end of the December 2014 quarter. Cash provided by operating activities was utilized for approximately \$124.9 million of treasury stock purchases, including net share settlement on employee stock-based compensation, \$31.9 million of capital expenditures and \$28.7 million of cash dividends paid to stockholders during the March 2015 quarter.

Deferred revenue at the end of the March 2015 quarter increased to \$485.2 million as compared to \$373.7 million at the end of the December 2014 quarter. Deferred profit at the end of the March 2015 quarter increased to \$303.3 million as compared to \$254.8 million at the end of the December 2014 quarter. Lam's deferred revenue balance does not include shipments to Japanese customers, to whom title does not transfer until customer acceptance. Shipments to Japanese customers are classified as inventory at cost until the time of acceptance. The anticipated future revenue from shipments to Japanese customers was approximately \$45.4 million as of March 29, 2015.

### **Geographic Distribution**

The geographic distribution of shipments and revenue during the March 2015 quarter is shown in the following table:

<i>Region</i>	<i>Shipments</i>	<i>Revenue</i>
Korea	34%	35%
Taiwan	19%	20%
China	19%	15%
Japan	10%	11%
United States	10%	10%
Europe	6%	7%
Southeast Asia	2%	2%

### **Outlook**

For the quarter ending June 28, 2015, Lam is providing the following guidance:

	GAAP		Reconciling Items	Non-GAAP	
Shipments	\$1.60 Billion	+/- \$50 Million	-	\$1.60 Billion	+/- \$50 Million
Revenue	\$1.46 Billion	+/- \$50 Million	-	\$1.46 Billion	+/- \$50 Million

Diluted share count	177 Million		3 Million	174 Million	

The information provided above is only an estimate of what the Company believes is realizable as of the date of this release, and does not incorporate the potential impact of any business combinations, asset acquisitions, divestitures, financing arrangements, other investments, or other significant transactions that may be completed after the date of this release. GAAP to non-GAAP reconciling items provided include only those items that are known and can be estimated as of the date of this release. Actual results will vary from this model and the variations may be material. Reconciling items included above are as follows:

- Gross margin - amortization related to intangible assets acquired in the Novellus transaction, \$21 million.
- Operating margin - amortization related to intangible assets acquired in the Novellus transaction, \$37 million.
- Earnings per share - amortization related to intangible assets acquired in the Novellus transaction, \$37 million; amortization of note discounts, \$9 million; and associated tax benefit for non-GAAP items (\$7) million; totaling \$39 million.
- Diluted share count - impact of a note hedge issued contemporaneously with the convertible notes due in 2016 and 2018, 3 million shares.

## Use of Non-GAAP Financial Results

In addition to GAAP results, this press release also contains non-GAAP financial results. The Company's non-GAAP results for both the March 2015 and December 2014 quarters include the impact of the note hedge issued contemporaneously with the convertible notes due in 2016 and 2018 and exclude amortization related to intangible assets acquired in the Novellus transaction; acquisition-related inventory fair value impact; selected restructuring charges, net; the amortization of note discounts; and tax benefit of non-GAAP items. Additionally, the March 2015 quarter non-GAAP results exclude the tax benefit on the successful resolution of certain tax matters. The December 2014 quarter non-GAAP results exclude the net tax benefit on the reinstatement of the research and development credit.

Management uses non-GAAP gross margin, operating income, operating expenses, operating margin, net income, and net income per diluted share to evaluate the Company's operating and financial results. The Company believes the presentation of non-GAAP results is useful to investors for analyzing business trends and comparing performance to prior periods, along with enhancing investors' ability to view the Company's results from management's perspective. Tables presenting reconciliations of non-GAAP results to GAAP results are included at the end of this press release and on the Company's web site at <http://investor.lamresearch.com>.

## Caution Regarding Forward-Looking Statements

Statements made in this press release that are not of historical fact are forward-looking statements and are subject to the safe harbor provisions of the Private Securities Litigation Reform Act of 1995. Such forward-looking statements relate to, but are not limited to, the anticipated revenue from shipments to Japanese customers; our ability to continue to reach record levels and outperform the semiconductor equipment industry; our ability to collaborate with our customers and partner to solve their most critical challenges; our ability to continue to grow our revenue and make progress on our market share objectives; our ability to differentiate our products and services, address market driving technology inflections, and deliver performance that meets or exceeds our plans, including our abilities to execute on our priorities, and deliver growth; the scope of opportunities we have; our ability to expand our served market; the ability of the market to continue to expand and the extent of any such expansion; and our guidance for shipments, revenue, gross margin, operating margin, earnings per share, and diluted share count. Some factors that may affect these forward-looking statements include: business conditions in the consumer electronics industry, the semiconductor industry and the overall economy; the strength of the financial performance of our existing and prospective customers; the introduction of new and innovative technologies; the occurrence and pace of technology transitions and conversions; the actions of our competitors, consumers, semiconductor companies and key suppliers and subcontractors; and the success of research and development and sales and marketing programs. These forward-looking statements are based on current expectations and are subject to uncertainties and changes in condition, significance, value and effect as well as other risks, including those detailed in documents filed by us with the Securities and Exchange Commission, including specifically our report on Form 10-K for the year ended June 29, 2014 and our reports on Form 10-Q for the quarters ended September 28, 2014 and December 28, 2014. These uncertainties and changes could cause actual results to vary from expectations. The Company undertakes no obligation to update the information or statements made in this press release.
